Teaching the world to read

December Holiday Programmes

Suitable for
Kindergarten
Age 5-6

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore two themes that are fascinating to older children.

Across the Continents

Go around the world in 5 days as we take your child on a fascinating journey "Across the Continents" of Asia, Africa, Europe, North & South America, Australia, and Antarctica. In this activity-packed tour itinerary, we get to explore and learn about the food, architecture, language, history and culture in each continent. Our language experience approach activities (incorporating stories, fun hands-on activities, creative cooking, writing, games and more) will give him/her the opportunity to appreciate cultural diversity of the world we live in.
