December Holiday Programmes

Suitable for
Kindergarten
Age 5-6

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore two themes that are fascinating to older children.

A Week with Sherlock Holmes

Meet the well-known Sherlock Holmes and enter his exciting world of mystery. Boys and girls simply love solving mysteries! No child is too young to appreciate the amazing deductive powers and reasoning of the world's smartest detective and his assistant – Dr Watson. For 5 days, your children will become detectives and pursue Sherlock's footsteps to decipher codes, investigate crime scenes and use mathematical /scientific reasoning to solve mysteries. Let Sherlock also equip our children with his useful tips for crime prevention. An exciting and enriching programme that teaches our young ones to be 'street-smart' and not easily fooled by commonplace tricksters.
