## December Holiday Programmes

Suitable for  
Nursery  
Age 3 -4

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore themes that are fascinating to young children.

### Aesop's Fables

Guide your little ones with precious knowledge early in their lives. For 5 days, we share some of Aesop's valuable stories that will teach morals and life-lasting values to young children. As we experience the wondrous magic that exists in Aesop's captivating stories, your little ones will explore various characters/themes and discover new messages, sayings and proverbs. Through puppetry, dramatization, creative craft, music and more, we make Aesop's characters come alive and keep your children engaged in learning. A creative and delightful way to develop character building in your child!
