## December Holiday Programmes

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore two themes that are fascinating to older children.

### Classic Literature for the Young

Reading opens a child's window to the world. Through reading stories, it has been known that a child picks up values, forms impressions and develops as a person. In this workshop, through dramatic story-telling, we introduce our young learners to a selection of timeless classics that have been well-adapted for the young such as Gulliver's Travels, Black Beauty, Doctor Dolittle and more. Using a combination of fun and multi-sensorial activities, we enable your child to explore the diverse themes and appreciate the many aspects of the characters in stories. Classic Literature is a fun-filled way to transform your child into a classic literature lover.

### Speech and Drama

Let your child develop and blossom into a confident child with our English Speech and Drama programme specially catered for young children. Our programme guides and nurtures children to find their own voice as they act, interact, communicate and present their ideas. Through our specially-designed Speech and Drama programme, we offer children the practical opportunities to master techniques and skills essential for effective communication in an environment that is fun and loving. From tip-toeing past a sleeping giant to persuading a monster, children work on their language skills through highly entertaining thematically-structured lessons that promote imagination and creativity.
