December Holiday Programmes

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore themes that are fascinating to young children.

Famous Authors

We introduce your little ones to a selection of famous literature by well-known children's writers such as Eric Carle, Rod Campbell and more. As a follow-up to these interesting stories, we engage your little ones in thematic exploration using fun, multi-sensorial activities that promote language awareness. Nurture your child's love for books with our choice of children's favourites.

Speech and Drama

Let your child develop and blossom into a confident child with our English Speech and Drama programme specially catered for young children. Our programme guides and nurtures children to find their own voice as they act, interact, communicate and present their ideas. Through our specially-designed Speech and Drama programme, we offer children the practical opportunities to master techniques and skills essential for effective communication in an environment that is fun and loving. From tip-toeing past a sleeping giant to persuading a monster, children work on their language skills through highly entertaining thematically-structured lessons that promote imagination and creativity.
