December Holiday Programmes

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore themes that are fascinating to young children.

Enchanted Fairytales

There is a wondrous magic that exists only in the world of fairy tales. These stories can serve as powerful teaching tools in motivating children to explore various characters/themes and discover words and their meanings. For 5 days, we take your child through our enchanted fairyland. As our captivating stories and characters come alive, we engage our children in fun activities such as dramatization, creative craft and more.

Speech and Drama

Let your child develop and blossom into a confident child with our English Speech and Drama programme specially catered for young children. Our programme guides and nurtures children to find their own voice as they act, interact, communicate and present their ideas. Through our specially-designed Speech and Drama programme, we offer children the practical opportunities to master techniques and skills essential for effective communication in an environment that is fun and loving. From tip-toeing past a sleeping giant to persuading a monster, children work on their language skills through highly entertaining thematically-structured lessons that promote imagination and creativity.
