Zoo-phonics® SCHOOL

Teaching the world to read

Suitable for Nursery Age 3 -4

December Holiday Programmes

Our fun-filled holiday learning experiences help stimulate language development and expand creativity of young minds. Enrich your child's knowledge, vocabulary and language this holiday as we explore two themes that are fascinating to young children.

Deep Sea Abyss

Explore the fascinating deep sea world. As we descend down the waters in our deep sea submarine, your little ones will learn all about exciting marine life and creatures. Meet the great sea mammals, explore the lovely coral reef habitat and uncover the mysteries of the deep. Your child's knowledge about the natural world around him/her will widen remarkably as we discover interesting concepts such as ocean camouflage, symbiotic relationships and many more. A fun-filled and enriching theme that integrates science and geology.

Speech and Drama

Let your child develop and blossom into a confident child with our English Speech and Drama programme specially catered for young children. Our programme guides and nurtures children to find their own voice as they act, interact, communicate and present their ideas. Through our specially-designed Speech and Drama programme, we offer children the practical opportunities to master techniques and skills essential for effective communicate in an environment that is fun and loving. From tip-toeing past a sleeping giant to persuading a monster, children work on their language skills through highly entertaining thematically-structured lessons that promote imagination and creativity.
