The Sound of Music

Let your toddler enjoy a vibrant and whimsical musical experience. For 5 days, we explore the different groups of musical instruments; the string, the wind, the brass percussion, etc. Your little ones will be introduced to the various fascinating types of instruments and also learn about rhythm, pitch and more. Through stories, creative movement, craft, games and other multi-sensorial activities, we stimulate the little ones to understand the captivating musical world. They will discover many wonderful ways to play instruments such as blowing, plucking, beating, shaking, and more. A delightful way to expose toddlers to early music appreciation.
